„Women and Finance – between Challenges and Chances“

Dear Zontians, dear friends from all over Europe! Frankfurt am Main welcomes you!

After two unsuccessful attempts we are now happy to announce the start of the **„9th European Interdistrict Zonta Seminar“ in April 2023!**

The team of district28 has worked hard to prepare for you an enlightening and instructive seminar weekend of inspiring panel discussions and workshops with female entrepreneurs and leaders at the forefront of a new digital era.

Join us and explore with us the challenges and chances posed by the world of finance to women and society in general in the search for a sustainable future.

Moreover, there will be sufficient time to meet old friends or to make new ones. The traditional get-together on Friday evening, the Saturday night dinner and sightseeing activities all provide such opportunities.

Please find below the registration link, including the preliminary agenda, accommodation suggestions and other useful information. Registration is open from **1 December 2022** !
